

Cathedral of the Incarnation *Diocese of the Eastern United States Anglican Church in America* Orlando, Florida

September 8, 2010 *The Nativity of the Blessed Virgin Mary*

With profound gratitude and filial respect to the Successor of St. Peter, the Chapter of the Cathedral of the Incarnation warmly receives the Apostolic Constitution, *Anglicanorum Coetibus*, of His Holiness, Pope Benedict XVI.

Having prayerfully considered the aforementioned papal legislation, along with its associated Complementary Norms, and with due regard for the accompanying canonical commentary by Fr. Gianfranco Ghirlanda, S.J., Rector of the Pontifical Gregorian University (all published under the auspices of the Congregation for the Doctrine of the Faith on November 4, 2009) and recognizing in the Holy Father's most generous response to the pleas of various Anglican groups our common desire and holy commitment to achieve the reconciliation of our small flock with the Catholic Church in a corporate fashion and with due regard to our own precious Anglican Patrimony, the Cathedral Chapter now unanimously resolves:

1. that the Bishop of the Diocese of the Eastern United States, the Dean of the Cathedral, and Officers of the Chapter be authorized to communicate **directly** with the Congregation

for the Doctrine of the Faith (CDF) or its authorized liaison for the territory of the United States Conference of Catholic Bishops (USCCB) on behalf of the Cathedral of the Incarnation to the end that the Cathedral parish eventually be received in its integrity into the full communion of the Catholic Church through an Anglican Personal Ordinariate as envisioned by *Anglicanorum Coetibus*; and,

2. that the text of this Resolution be published immediately on the parish web site and the online journal, *The Anglo-Catholic*, with copies to be posted directly to the Holy Father, William Cardinal Levada, Prefect of the Congregation for the Doctrine of the Faith, and the authorized liaison for the United States of America.

Signed,

Very Rev. Fr. Mark Siegel *Dean of the Cathedral*

Christian Clay Campbell *Rector's Warden*

Ernest Parker *People's Warden*

As an expression of the unanimity of the Bishop and Parish Clergy, the Chapter welcomes their signatures to this Resolution.
